

# CLIENT'S OWN CUSHIONS MEASUREMENTS

(SNT Home) 904.395.1858

- ✓ To ensure accuracy use a metal measuring tape. Do not use a cloth tape measure.
- ✓ Record your measurements in the space provided and double check your numbers for accuracy.
- ✓ SNT Home strongly advises that all cushions be brought into the store if possible.
- ✓ Built-in banquets with seat and back cushions MUST be measured by our professionals or we cannot accept the order.

Please record your measurements directly on the image that applies to your project.

I have been given the opportunity to have SNT Home professionally measure my cushions or bring them into the store and I declined. By providing my own measures I release SNT Home of any responsibility of final product outcome. By signing below, I approve these measures and accept full responsibility for their accuracy.
